Dear [REDACTED]

Re: Official Information Act request – Heat pumps installed since 2018 under the Warmer Kiwi Homes Programme

Thank you for your request lodged via FYI.org.nz on 8 October in which you requested information under the Official Information Act. You requested:

- *What is the total number of heat pumps installed since 2018 under the warmer kiwi homes rebate scheme?*

The table below outlines the number of heat pumps installed under EECA’s Warmer Kiwi Homes programme, per calendar year, between 2018 to present day. Please note that Heat Pump installations were not introduced to the Warmer Kiwi Homes programme until July 2019. Prior to July 2019, the Warmer Kiwi Homes programme was for insulation only.

Calendar Year	Number of Heat pumps installed under the Warmer Kiwi Homes Programme
2018	N/A
2019	2,536
2020	9,915
2021	10,570
1 January 2022 – 10 October 2022	6,585
Total number of heat pumps installed since 2018	29,606

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Please note that it is our policy to proactively release our responses to official information requests where possible. Our response to your request will be published shortly at <https://www.eeca.govt.nz/about/news-and-corporate/official-information/> with your personal information removed.

Yours sincerely
