

Sector	Recipient	Type of project	Location	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
Central Government	Accident Compensation Corporation	Fleet Electrification	New Zealand wide	ACC will purchase 25 electric vehicles and install charging infrastructure.	\$0.758	350
	Department of Conservation	Fleet Electrification	New Zealand wide	DOC will purchase 30 electric vehicles and install charging infrastructure.	\$1.039	1,369
	Department of Conservation	Fleet Electrification	New Zealand wide	DOC will purchase 118 electric vehicles and install the charging infrastructure.	\$4.088	3,530
	Department of Corrections	Boiler Replacement	Invercargill	Department of Corrections will replace a coal boiler with a wood pellet boiler at Invercargill Prison.	\$2.829	8,742
	Department of Corrections	Fleet Electrification	New Zealand wide	Department of Corrections will purchase 24 electric vehicles and install charging infrastructure.	\$0.676	362
	Inland Revenue Department	Fleet Electrification	New Zealand wide	IRD will purchase 33 electric vehicles and install charging infrastructure.	\$1.015	570
	Kāinga Ora	Fleet Electrification	New Zealand wide	Kāinga Ora will purchase 40 electric vehicles and install charging infrastructure.	\$1.126	860
	Kāinga Ora	Fleet Electrification	New Zealand wide	Kāinga Ora will purchase 28 electric vehicles and install charging infrastructure.	\$0.921	416
	Kāinga Ora	Fleet Electrification	New Zealand wide	Kāinga Ora will purchase 141 electric vehicles and install charging infrastructure.	\$3.787	2,999
	Landcare Research New Zealand	Fleet Electrification	New Zealand wide	Landcare Research NZ will purchase two electric vehicles and install charging infrastructure.	\$0.056	45
	Ministry of Education	Fleet Electrification	New Zealand wide	Ministry of Education will lease three electric vehicles and install charging infrastructure.	\$0.084	64
	Ministry of Social Development	Fleet Electrification	New Zealand wide	MSD will purchase two electric vehicles.	\$0.046	56
	Ministry of Social Development	Fleet Electrification	New Zealand wide	MSD will purchase 109 electric vehicles and install charging infrastructure.	\$3.370	1,688
	Ministry for Primary Industries	Fleet Electrification	New Zealand wide	Ministry for Primary Industries will purchase 52 electric vehicles and install charging infrastructure.	\$1.553	1,001
	New Zealand Defence Force	Boiler Replacement	Burnham	NZDF will replace a coal boiler with a heat pump alternative at its Burnham base.	\$3.840	48,600
New Zealand Defence Force	Fleet Electrification	New Zealand wide	NZDF will procure 32 vehicles (a mix of leasing and buying) and install charging infrastructure.	\$0.983	1,050	

Sector	Recipient	Type of project	Location	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
Central Government	New Zealand Police	Fleet Electrification	New Zealand wide	NZ Police will purchase 45 vehicles and install charging infrastructure.	\$1.700	1,761
	New Zealand Police	Boiler Replacement	Auckland	NZ Police will replace a heating and cooling system at Papakura Police Station with a renewable low-carbon option.	\$0.380	767
	Parliamentary Services	Lighting Upgrade	Wellington	Parliamentary Services will install LED lighting throughout the parliamentary precinct.	\$0.640	1,290
	Parliamentary Services	Solar PV	Wellington	Parliamentary Services will install solar PV on the roof of Parliament house.	\$0.650	400
	Scion	Fleet Electrification	New Zealand wide	Scion will purchase three vehicles and install charging infrastructure.	\$0.096	65
	Statistics New Zealand	Fleet Electrification	New Zealand wide	Stats NZ will purchase four electric vehicles.	\$0.108	78
	Te Puni Kōkiri	Fleet Electrification	New Zealand wide	Te Puni Kōkiri will purchase 16 electric vehicles and install charging infrastructure.	\$0.493	363
	Television New Zealand	Fleet Electrification	Auckland	TVNZ will purchase two electric vehicles and install charging infrastructure.	\$0.057	69
	WorkSafe New Zealand	Fleet Electrification	New Zealand wide	WorkSafe NZ will purchase 18 electric vehicles and install charging infrastructure.	\$0.561	400
Health	Auckland DHB	Lighting Upgrade	Auckland	Auckland DHB will install efficient lighting at Auckland City Hospital.	\$0.172	355
	Auckland DHB	Lighting Upgrade	Auckland	Auckland DHB will install efficient lighting in Building A32 at its Grafton campus.	\$2.031	4,813
	Bay of Plenty DHB	Fleet Electrification	Tauranga & Whakatane	Bay of Plenty DHB will purchase 20 electric vehicles and install charging infrastructure.	\$0.631	878
	Canterbury DHB	Boiler Replacement	Ashburton	Canterbury DHB will replace a coal boiler at Ashburton Hospital.	\$2.400	23,850
	Canterbury DHB	"Green Star & Energy Efficiency"	Christchurch	Canterbury DHB will upgrade Hillmorton Hospital's mental health unit to a Green Star rating.	\$2.800	N/A
	Canterbury DHB	Lighting Upgrade	Christchurch	Canterbury DHB will install efficient lighting at Christchurch Women's Hospital.	\$0.204	342
	Capital & Coast DHB	Lighting Upgrade	Wellington	Capital & Coast DHB will install efficient lighting across their sites.	\$1.096	1,895
	Capital & Coast DHB	Boiler Replacement	Wellington	Capital & Coast DHB will install a heat recovery system in the Main Hospital building at Wellington Hospital.	\$0.365	3,810
	Counties Manukau DHB	Lighting Upgrade	Auckland	Counties Manukau DHB will install LED lighting at Middlemore Hospital.	\$0.147	420

Sector	Recipient	Type of project	Location	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
	Counties Manukau DHB	Chiller Replacement	Auckland	Counties Manukau DHB will replace a chiller with a low emissions alternative at Manukau Health Park.	\$0.366	3,991
	Hawke's Bay DHB	Fleet Electrification	Hawke's Bay	Hawke's Bay DHB will purchase one electric vehicle and install charging infrastructure.	\$0.029	36
	Hawke's Bay DHB	Chiller Replacement	Hastings	Hawke's Bay DHB will replace a process cooler unit at Hawke's Bay Fallen Soldiers' Memorial Hospital in Hastings.	\$0.050	45
	Hawke's Bay DHB	Chiller Replacement	Hastings	Hawke's Bay DHB will replace and upgrade air conditioning units at Hawke's Bay Fallen Soldiers' Memorial Hospital in Hastings.	\$0.013	21
	Lakes DHB	Chiller Replacement	Taupo	Lakes DHB will replace a chiller with a low-emissions alternative at Taupo Hospital.	\$0.092	340
	MidCentral DHB	Chiller Replacement	Palmerston North	MidCentral DHB will replace a chiller with a low-emissions alternative at Palmerston North Hospital.	\$0.175	3,050
	MidCentral DHB	Fleet Electrification	Palmerston North	MidCentral DHB will purchase an electric vehicle and install charging infrastructure.	\$0.041	15
	MidCentral DHB	Lighting Upgrade	Palmerston North	MidCentral DHB will install efficient lighting at Palmerston North Hospital.	\$0.048	65
	Nelson Marlborough DHB	Lighting Upgrade	Blenheim	Nelson Marlborough DHB to install efficient lighting at Wairau Hospital.	\$0.067	254
	Northland DHB	Fleet Electrification	Northland	Northland DHB will procure 150 vehicles and install charging infrastructure.	\$4.306	3,840
	Southern DHB	Chiller Replacement	Invercargill	Southern DHB will replace a chiller with a low emissions alternative at Kew Hospital in Invercargill.	\$0.320	1,500
	Southern DHB	Boiler Replacement	Dunedin	Southern DHB will replace a diesel boiler with an electric heat pump solution at the Tokanui Medical Centre.	\$0.030	83
	Southern DHB	Boiler Replacement	Clyde	Southern DHB will convert a diesel boiler to a heat pump solution at the Mental Health Unit at Dunstan Hospital.	\$0.120	323
	Taranaki DHB	"Green Star & Energy Efficiency"	New Plymouth	Taranaki DHB will improve the energy efficiency of Taranaki Base Hospital.	\$0.200	300
	Taranaki DHB	Boiler Replacement	New Plymouth	Taranaki DHB will replace its natural gas boiler with a low emissions alternative.	\$1.080	10,040
	Waikato DHB	Lighting Upgrade	Hamilton	Waikato DHB will install efficient lighting and lighting controls in the Hague Road carpark at Waikato Hospital.	\$0.058	127
	Waikato DHB	Lighting Upgrade	Hamilton	Waikato DHB will install efficient lighting at Meade Clinical Centre.	\$0.120	332

Sector	Recipient	Type of project	Location	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
	Wairarapa DHB	Fleet Electrification	Masterton	Wairarapa DHB will purchase two electric vehicles.	\$0.045	47
	Waitemata DHB	Fleet Electrification	Auckland	Waitemata DHB will purchase 10 electric vehicles and install charging infrastructure.	\$0.158	124
	Waitemata DHB	Fleet Electrification	Auckland	Waitemata DHB will purchase 62 electric vehicles and install charging infrastructure.	\$1.708	1,131
Primary/ Secondary Education	Ministry of Education	Boiler Replacement	New Zealand wide	Nearly \$55 million has been set aside to replace coal boilers in schools.	\$54.840	70,800
	Ministry of Education	Boiler Replacement	New Zealand wide	MoE to replace all remaining coal boilers in primary and secondary schools.	\$10.000	35,400
Tertiary Education	Auckland University of Technology	Boiler Replacement	Auckland	AUT will replace its natural gas boiler and chillers for space heating and cooling with low emission alternatives.	\$1.125	4,010
	Auckland University of Technology	Lighting Upgrade	Auckland	AUT will install efficient lighting.	\$0.105	440
	Auckland University of Technology	Boiler Replacement	Auckland	AUT will replace its natural gas boiler with a low emission alternative.	\$0.060	330
	Lincoln University	Boiler Replacement	Lincoln	Lincoln University will replace its large coal boiler with a low emissions alternative.	\$4.576	45,500
	Lincoln University	Lighting Upgrade	Lincoln	Lincoln University will install efficient lighting on campus.	\$0.198	430
	Lincoln University	Fleet Electrification	Lincoln	Lincoln University will purchase two electric vehicles and install charging infrastructure.	\$0.057	59
	Massey University	"Green Star & Energy Efficiency"	Palmerston North	Massey University will improve the energy efficiency of the Manawatū Campus Library by upgrading the façade.	\$2.000	3,910
	Northland Polytechnic	Lighting Upgrade	Whangarei	NorthTec will install efficient LED lighting.	\$0.023	63
	Southern Institute of Technology	Boiler Replacement	Balclutha	SIT will replace two coal boilers with low emission alternatives (either electricity or biomass).	\$0.276	3,819
	University of Auckland	Boiler Replacement	Auckland	Auckland University will replace a gas boiler with a low emission alternative.	\$0.250	530
University of Canterbury	Boiler Replacement	Christchurch	University of Canterbury will replace a coal boiler with a biomass boiler at its Ilam campus.	\$6.240	90,000	

Sector	Recipient	Type of project	Location	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
	University of Canterbury	Boiler Replacement	Christchurch	University of Canterbury will expand the scope of an existing boiler project at its Ilam campus, completely eliminating coal use at the site.	\$2.160	20,000
	University of Otago	Boiler Replacement	Dunedin	University of Otago will replace a coal boiler with a wood pellet boiler at its residential college, Arana College.	\$0.224	7,175
Tertiary Education	University of Waikato	Lighting Upgrade	Hamilton	University of Waikato will install efficient lighting on campus.	\$0.154	171
	University of Waikato	Chiller Replacement	Hamilton	University of Waikato will replace a chiller on campus with a low emissions alternative.	\$0.100	170
	University of Waikato	Boiler Replacement	Hamilton	University of Waikato will replace two gas boilers at Student Village in Hamilton.	\$0.080	86
	Victoria University	Lighting Upgrade	Wellington	Victoria University will install efficient lighting.	\$0.175	746
	Waikato Institute of Technology (Wintec)	Lighting Upgrade	Hamilton	Wintec will install efficient lighting on campus.	\$0.138	319
	Western Institute of Technology at Taranaki (WITT)	Fleet Electrification	New Plymouth	WITT will purchase three electric vehicles and install charging infrastructure.	\$0.105	101
				Total	\$132.614	422,981
