

Sector	Type of project	City or region	Recipient	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
Central Government	Fleet Electrification	New Zealand wide	Accident Compensation Corporation	ACC will purchase 25 electric vehicles and install charging infrastructure.	\$0.758	350
	Fleet Electrification	New Zealand wide	Department of Conservation	DOC will purchase 30 electric vehicles and install charging infrastructure.	\$1.039	1,369
	Fleet Electrification	New Zealand wide	Department of Conservation	DOC will purchase 118 electric vehicles and install the charging infrastructure.	\$4.088	3,530
	Fleet Electrification	New Zealand wide	Inland Revenue Department	IRD will purchase 33 electric vehicles and install charging infrastructure.	\$1.015	570
	Fleet Electrification	New Zealand wide	Kāinga Ora	Kainga Ora will purchase 40 electric vehicles and install charging infrastructure.	\$1.126	860
	Fleet Electrification	New Zealand wide	Ministry of Education	Ministry of Education will lease three electric vehicles and install charging infrastructure.	\$0.084	64
	Boiler Replacement	Burnham	New Zealand Defence Force	NZDF will replace a coal boiler with a heat pump alternative at its Burnham base.	\$3.840	48,600
	Fleet Electrification	New Zealand wide	New Zealand Defence Force	NZDF will procure 32 vehicles (a mix of leasing and buying) and install charging infrastructure.	\$0.983	1,050
	Lighting Upgrade	Wellington	Parliamentary Services	Parliamentary Services will install LED lighting throughout the parliamentary precinct.	\$0.640	1,290
	Solar PV	Wellington	Parliamentary Services	Parliamentary Services will install solar PV on the roof of Parliament house.	\$0.650	400
	Fleet Electrification	New Zealand wide	Scion	Scion will purchase three vehicles and install charging infrastructure.	\$0.096	65
	Fleet Electrification	New Zealand wide	Statistics New Zealand	Stats NZ will purchase four electric vehicles.	\$0.108	78
Fleet Electrification	New Zealand wide	Te Puni Kōkiri	Te Puni Kōkiri will purchase 16 electric vehicles and install charging infrastructure.	\$0.493	363	
Health	Lighting Upgrade	Auckland	Auckland DHB	Auckland DHB will install efficient lighting at Auckland City Hospital.	\$0.172	355
	Boiler Replacement	Ashburton	Canterbury DHB	Canterbury DHB will replace a coal boiler at Ashburton Hospital.	\$2.400	23,850
	"Green Star & Energy Efficiency"	Christchurch	Canterbury DHB	Canterbury DHB will upgrade Hillmorton Hospital's mental health unit to a Green Star rating.	\$2.800	N/A
	Lighting Upgrade	Auckland	Counties Manukau DHB	Counties Manukau will install LED lighting at Middlemore Hospital.	\$0.147	420

Sector	Type of project	City or region	Recipient	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
Health	Fleet Electrification	Hawke's Bay	Hawke's Bay DHB	Hawke's Bay DHB will purchase one electric vehicle and install charging infrastructure.	\$0.029	36
	Chiller Replacement	Hastings	Hawke's Bay DHB	Hawke's Bay DHB will replace a process cooler unit at Hawke's Bay Fallen Soldiers' Memorial Hospital in Hastings.	\$0.050	45
	Chiller Replacement	Hastings	Hawke's Bay DHB	Hawke's Bay DHB will replace and upgrade air conditioning units at Hawke's Bay Fallen Soldiers' Memorial Hospital in Hastings.	\$0.013	21
	Chiller Replacement	Taupo	Lakes DHB	Lakes DHB will replace a chiller with a low-emissions alternative at Taupo Hospital.	\$0.092	340
	Chiller Replacement	Palmerston North	MidCentral DHB	MidCentral DHB will replace a chiller with a low-emissions alternative at Palmerston North Hospital.	\$0.175	3,050
	Fleet Electrification	Palmerston North	MidCentral DHB	MidCentral DHB will purchase an electric vehicle and install charging infrastructure.	\$0.041	15
	Fleet Electrification	Northland	Northland DHB	Northland DHB will procure 150 vehicles and install charging infrastructure.	\$4.306	3,840
	Chiller Replacement	Invercargill	Southern DHB	Southern DHB will replace a chiller with a low emissions alternative at Kew Hospital in Invercargill.	\$0.320	1,500
	"Green Star & Energy Efficiency"	New Plymouth	Taranaki DHB	Taranaki DHB will improve the energy efficiency of Taranaki Base Hospital.	\$0.200	300
	Boiler Replacement	New Plymouth	Taranaki DHB	Taranaki DHB will replace its natural gas boiler with a low emissions alternative.	\$1.080	10,040
Lighting Upgrade	Hamilton	Waikato DHB	Waikato DHB will install efficient lighting and lighting controls in the Hague Road carpark at Waikato Hospital.	\$0.058	127	
Primary/ Secondary Education	Boiler Replacement	New Zealand wide	Ministry of Education	Nearly \$55 million has been set aside to replace coal boilers in schools.	\$54.840	40,500
Tertiary Education	Boiler Replacement	Auckland	Auckland University of Technology	AUT will replace its natural gas boiler and chillers for space heating and cooling with low emission alternatives.	\$1.125	4010
	Lighting Upgrade	Auckland	Auckland University of Technology	AUT will install efficient lighting.	\$0.105	440
	Boiler Replacement	Auckland	Auckland University of Technology	AUT will replace its natural gas boiler with a low emission alternative.	\$0.060	330
	Boiler Replacement	Lincoln	Lincoln University	Lincoln University will replace its large coal boiler with a low emissions alternative.	\$4.576	45,500

Sector	Type of project	City or region	Recipient	Project description	Approved co-funding (\$m)	Estimated 10 year carbon emissions reduction (tonnes)
Tertiary Education	"Green Star & Energy Efficiency"	Palmerston North	Massey University	Massey University will improve the energy efficiency of the Manawatū Campus Library by upgrading the façade.	\$2.000	3,910
	Boiler Replacement	Balclutha	Southern Institute of Technology	SIT will replace two coal boilers with low emission alternatives (either electricity or biomass).	\$0.276	3,819
	Boiler Replacement	Auckland	University of Auckland	Auckland University will replace a gas boiler with a low emission alternative.	\$0.250	530
	Boiler Replacement	Christchurch	University of Canterbury	University of Canterbury will replace a coal boiler with a biomass boiler at its Ilam campus.	\$6.240	90,000
	Lighting Upgrade	Wellington	Victoria University	Victoria University will install efficient lighting.	\$0.175	746
				Total	\$96.450	292,313
