Page 1: EECA 2019/20 Levy Consultation

Q1 What kinds of engagement have you or your organisation had with EECA?

A collaboration agreement

Q2 Which of the three levies do you pay?

**Electricity Industry
Levy**

Q3 EECA's proposed levy-funded work programme in 2019/20 will request funding from the three energy levies set out in question 2. Do you support EECA's levy proposal for \$13.8 million in 2019/20?

Yes, but I think it should include more energy intensive sources

Q4 Do you support the proportions EECA has requested across the three energy levies?

Yes

Q5 Which of EECA's 2019/20 levy-funded activities is of most interest to you? **Large Energy User Programme**

Q6 Do you support the mix of levy-funded activities listed above?

Yes

Q7 Are there any new activities or specific sectors you think EECA should invest more or less levy funding in for 2019/20, and in the future?

Yes, air travel and roading materials, design and energy use

Levy Consultation

Q8 Do you agree that EECA's levy-funded activities result in benefits for New Zealand businesses and consumers in the following areas? Tick as many as apply.

Reducing greenhouse gas emissions,
Reducing engine fuel consumption (e.g. petrol and diesel)
,
Improving energy productivity ,
Improving electricity efficiency ,
Improving gas efficiency ,
Encouraging, promoting, and supporting energy efficiency, energy conservation, and the use of renewable sources of energy

Q9 Would you like to provide any other comments on EECA's 2019/20 levy proposal and activities?

Comparatively, this is a small amount of funding for a very large target.
